What is the copy deeds service?

Registers of Scotland provide copies and extracts directly from the National Archives of Scotland to your desk – a seamless, efficient, and cost-effective service.

Copies and extracts of deeds from the Sasine Register and Chancery and Judicial Registers are available at a cost of £16.00 per copy and £30.00 per extract.

We may need to undertake a search to confirm the recording date of the document.

Turnaround Times are 48 hours for copies and 8 working days for extracts. A premium service of 24 hours for copies and 48 hours for extracts is available at an additional charge of £30.00.

Please note the VAT is payable on all the above charges.
