FO

## Core Brief

F

### Desktop Rollout

[P](#)

[I](#)

[E](#)

The manufacturing faults identified with the PC equipment which forced the re-scheduling of the desktop project have now been resolved.

[M](#)

[C](#)

### Fees Review

[R](#)

[P](#)

The Agency is commencing a review of registration fees, with a view to a decision on the appropriate level of fees on which to proceed to public consultation in the Spring of 2006. Setting fees for ARTL transactions will be part of this review.

[I](#)
