

Registers Update - DX and LP Numbers

Registers Update 01 informed customers of changes to the Agency's DX and LP box numbers effective from 16 September 2002.

UPDATE: 01.1

This update provides clarification on the use of DX and LP box numbers and Royal Mail addresses for Land Register applications.

A substantial number of applications for the counties of Argyll, Bute, Dumbaron, Glasgow, Inverness, Nairn and Renfrew are inadvertently addressed to LP 65 Edinburgh 5.

The applications in question are subsequently re-directed to the Agency's Glasgow office for processing. This results in additional handling costs and could lead to delays in setting the date of registration.

The correct LP box number address for these applications is LP 70 Glasgow 5.

A quick check by customers would ensure that all Land Register applications are sent to the appropriate office to be processed as quickly and efficiently as possible. Your co-operation in this matter is greatly appreciated.

A full list of box numbers for Land Registration Intake is published in this update. A more detailed list of all DX and LP box numbers used by the Agency is available at www.ros.gov.uk/mailboxes.
