

DO NOT SCALE DRAWINGS

Suitable writings from excavations provide useful engineering material for raising levels and in forming and contouring areas of landscaping. Accordingly, the finished surface levels on this development have been designed to incorporate the benefit of this material, either derived on this site, or on other GWLJK developments.

NOTICE TO HOUSE - PURCHASERS
Property Misdescriptions Act 1991

Buyers are warned that this is a working drawing & is not intended to be treated as descriptive material describing, in relation to any particular property or development, any of the specified matters prescribed by any order made under the above Act.
