**Matrix 1 - How satisfied were you with this consultation?:**

Very dissatisfied

**Please enter comments here.:**

This proposal has been rushed out with an improbable time scale and with minimal consultation as to how it would work in practice.

It should be deferred or abandoned until a valid case has been made for its implementation - particularly if this is to be mandatory, for which there is no justification in logic.

**Matrix 1 - How would you rate your satisfaction with using this platform (Citizen Space) to respond to this consultation?:**

Neither satisfied nor dissatisfied
