

# Registers of Scotland

Corporate Plan 2017-20

Registers  
of Scotland

## VISION

### Our vision is:

To be a digital registration and information business trusted for our integrity.

## VALUES

### We are:

Customer-focussed, forward thinking, impartial, and professional.

## STRATEGIC OBJECTIVES

1. By 2020 we will be a **fully digital** business with processes designed so that automation is the norm, online registration is mandatory and manual intervention only used where it adds value.
2. Our products and services will be available digitally and **ScotLIS is the platform of choice** for information about land and property and its data is used to create value for Scotland.
3. By 2020 we will have made the progress needed to **complete the land register by 2024**.
4. We will maintain an **agile and sustainable** business where our empowered and capable people respond flexibly to our customers' needs.

## MINISTERIAL TARGETS 2017/18

For statutory business: deliver a three per cent efficiency saving on our unit costs.

For non-statutory business: achieve at least five per cent profit on products and services.
