Are you content for the Scottish Government to contact you again in relation to this consultation exercise?            | Yes   |
| <b>Response</b>  |   |
| I would not want to see an increase in fees for the Land Register. I feel the level of fees is quite adequate and that any increase would place a burden on property buyers especially at what is a very delicate time in the recovery of the domestic housing market. People's budgets in house buying are already quite pressed without an increase in the burden. |   |
