31 October 2013

Dear Mr Hall

**CONSULTATION ON THE IMPLEMENTATION OF THE LAND REGISTRATION ETC.
(SCOTLAND) ACT 2012**

I refer to the above consultation.

This is a response for the Queen's and Lord Treasurer's Remembrancer who is an office-holder in the Scottish Administration.

I am content with this response be made public.

I am responding specifically to questions 42-43 as follows:

Question 42 – the QLTR agrees that the rules should make further provision regarding a minimum period for notification to take place prior to a prescriptive claimant's application being submitted.

Question 43 – the QLTR also agrees that 60 days is a suitable period.

Yours sincerely

Andrew Brown
Solicitor to the QLTR
