

POSSIBLY REDUCE
HIERARCHY OF ROAD
TO 6m

DO NOT SCALE DRAWINGS

Suitable arisings from excavations provide useful engineering material for raising levels and in forming and contouring areas of landscaping. Accordingly, the finished surface levels on this development have been designed to incorporate the benefit of this material, either derived on this site, or on other GWUK developments.

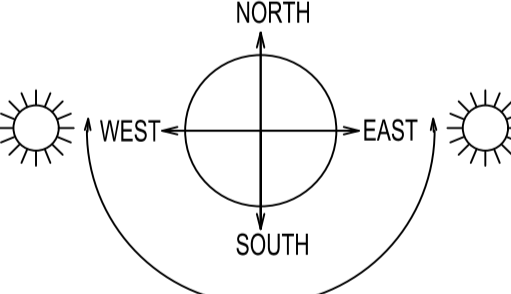

NOTICE TO HOUSE - PURCHASERS
Property Misdescriptions Act 1991

Buyers are warned that this is a working drawing & is not intended to be treated as descriptive material describing, in relation to any particular property or development, any of the specified matters prescribed by any order made under the above Act. The contents of this drawing may be subject to change at any time & alterations & variations can occur during the progress of the works without revision of the drawing. Consequently the layout, form, content & dimensions of the finished construction may differ materially from those shown. Nor do the contents of this drawing constitute a contract, part of any contract or warranty.
