

DO NOT SCALE DRAWINGS

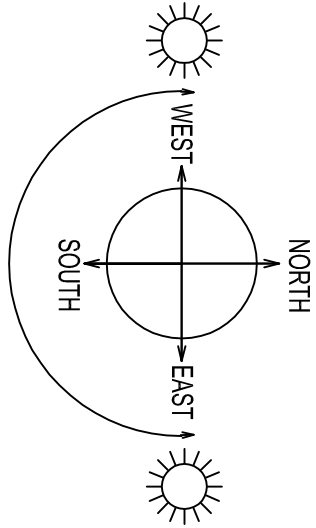

Suitable sightings from excavations provide useful engineering material for raising levels and for determining the position and levels of foundations and the finished surface levels on this development have been designed to incorporate the benefit of this material, either derived on this site, or on other GWJK developments.

NOTICE TO HOUSE - PURCHASERS
Property Misdescriptions Act 1991

Buyers are warned that this is a working drawing & is not intended to be treated as descriptive material describing, in relation to any particular property or development, any of the specified matters prescribed by any order made under the above Act. The contents of this drawing may be subject to change at any time & alterations & variations may be made during the progress of the project & the vendors of the drawing accept no liability for any errors or omissions in the drawing or for any loss or damage suffered by any person in reliance on the drawing. The drawing is offered as a guide only & does not constitute a contract, part of any contract or warranty.
